WINE AND GLASS PAIRING

Experts agree that each type of wine should be served in the right glass to bring out the aromas and flavors of the wine, maximizing the overall experience. Red wine glasses have large, wide bowls, bringing more oxygen into contact with the wine which allows it to breathe, releasing the complex flavors and aromas. Large bowls also lend themselves to an easier swirl which helps the wine to open up or “air”. White and rosé wines are typically served in smaller bowled glasses. Small glasses preserve their delicate and subtle aromas. The sparkling wine glass or the Champagne flute has a tall, long-stemmed design with a narrow bowl. The slender tapered shape allows bubbles to flow longer and keep the liquid on the tip of the tongue, bringing forth the aromas on the first sip.

THE BEAUTY OF LIFE

The British philosopher Bertrand Russell said, "What hunger is in relation to food, zest is in relation to life." Adorning dining tables with artfully arranged delicacies and sharing delicious recipes make life beautiful.

HAYATIN GÜZELLİKLERİ

"Açlığın yemekle ilişkisi neyse, lezzetin yaşamla ilişkisi odur." diyor İngiliz filozof Bertrand Russell. Davet sofralarını zengin tatlarla donatmak, iştah açıcı tarifleri arkadaşlarla paylaşmak hayatı güzelleştirir.
