DRINKWARE

STEMWARE & TUMBLERS

The presentation of a beverage is as important as its consistency, taste, and aroma. The aesthetic appeal of the glass design attracts the eye and prepares the palate for a delicious drink. Glasses particularly designed according to the various types of drink create a more delicious, hence enjoyable, tasting experience. For some drinks, a glass with a full round bowl that reveals the aroma is desirable; while for others, a narrow-styled glass is more suitable. With its designs ranging from classic to modern and its wide product range, Paşabahçe augments the pleasure of drinking.
